Section 3 – External auditor certificate and report 2015/16 Certificate

We certify that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2016 in respect of:

Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACHU0097)

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

We note that there has been a complete change in the administration of the Board during 2015/16. Whilst significant weaknesses in many areas of financial management and governance have now been addressed, we note that the Board has had to restate its prior year accounts, overcome a negative revenue budget that had been set and introduce improved internal controls including risk management, which we have qualified our opinion on for the past two years. We note the comments of the internal auditor in the annual internal audit report and in his detailed report, which have drawn attention to these and other significant weaknesses. In view of the work carried out in relation to the setting of the new budget and the approval of risk management documentation, which the internal auditor has acknowledged in his detailed report, we believe that it was acceptable for the Board to answer 'Yes' to the relevant assertions in Section 1, although this appears to contradict the internal auditor's conclusions on this Annual Return.

We note that one of the balances given in the year end bank reconciliation was confirmed as at 1/1/2016 and not as at the year end date. Please ensure that year end bank statements are obtained and used in future.
