

Ancholme Internal Drainage Board
Environmental Impact Assessment
(Land Drainage Improvement Works) Regulations 1999

It is the intention of the Ancholme Internal Drainage Board (IDB) to undertake repair works on ordinary watercourse banks at Cadney Soak Drain (TA 02771 02470 to TA 02625 02481), Lincolnshire.

The proposed works will involve re-grading the banks where bank slips have occurred.

The IDB has determined that the works are not likely to have significant environmental effects and does not intend to prepare a formal Environmental Statement in respect of the proposed improvement works. Any person who wishes to make representations in relation to the likely environmental effects of the proposed improvement works may do so in writing to the address below. All representations must be made within 28 days of this notice.

Natural England has been consulted under the above Regulations.

Dated this 2nd October 2026.
